### TWU Tolls & Road Tax Rally

The NSW Government’s deal on toll roads with Transurban has robbed our future and has left a debt for our children and grandchildren. The people of NSW including Transport Workers had no say on the deal.

Toll road prices increase every quarter and now heavy vehicle users face discrimination, forced to use the NorthConnex toll road or face fines.

Transurban is targeting heavy vehicles to raise profits for their infrastructure business but are not providing a “congestion busting” solution. Toll roads in NSW are a rort.
