All Workforce International candidates are required to complete a Functional Capacity Assessment, so a reasonable level of physical fitness is required.

DOCUMENT STORAGE

Our client is a document storage facility with several job sites across Sydney and the ACT where confidential documents are stored and destroyed.

Duties include:

- packing cartons, moving cartons,
- stacking pallets and loading pallets onto trucks.
- A current forklift license (LF) and counterbalance or high reach experience is required.
- The approximate working hours are 8am – 4pm and a Police Check is required.

MEDICAL EQUIPMENT MANUFACTURING

Our client is a medical equipment company that primarily provides medical devices to assist in the treatment of various sleep and breathing disorders.

Workforce largely recruits for the following four roles;

- Machine Operators (Trained on site),
- Production Assemblers (Trained on site),
- Material Handlers
- A current forklift license (LF) (counterbalance and high reach experience required),

If candidates have any of the following qualifications or experience, they may be suitable for one or more of the above positions.

- RF scanning experience,
- machine operating experience
- can demonstrate good manual dexterity (required for assembly).

There are three shifts (day, afternoon and night), and the approximate working hours for each shift are 6am – 2pm, 2pm – 10pm and 10pm – 6am. No Police Check required.

PARKS AND GARDENS – COUNCIL PROJECTS

Our client is a landscaping/ gardening company primarily based in the city and western suburbs. Duties include:

- riding a mower,
- using a whipper snipper,
- litter picking and basic gardening (i.e. weeding).

Our client is looking for candidates who are punctual and display a good work ethic.

There are two shifts (day and night), and the approximate working hours are 6:30am – 2:20pm and 8pm – 4am.

A driver's license is desirable, and no police check is required.
